Gala Information

From the Northern California Education Foundation (NCEF), we are excited to announce that this year's gala will be held virtually on September 22, 2020 at 7:30pm. For those unfamiliar with the event, our annual gala serves to fund scholarships in support of our pharmacy, medical, and health science students studying at the California Northstate University.

Undaunted by the pandemic, we bring to you a safe and interactive virtual gala as we continue to fulfill our mission in supporting our students. As we draw ever closer to our goal of raising over \$350K for the CNU students, we extend our gratitude to our generous donors and welcome you to this year's celebration. All gala funds and donations will support grants and scholarships to the students.

Additional Gala News...

While we are saddened by the fact that we cannot hold our gala in person, the benefit of having a virtual gala is that you can participate from the comfort of your own home! We believe you'll be entertained by the host we have scheduled, and, as always, we will have several great items up for auction, including a ski trip with former Olympians! Upon registering for the gala, you will also receive a free entry to one of many raffles, so mark your calendars and pre-register for this gala [here](#).

Scholarship News

The 2020-2021 NCEF scholarship application will be available on our website starting this fall. To ensure that students receive their scholarship award in time for the Spring semester, **the application deadline has been moved earlier**. If you know a CNU student who is qualified, please have them visit the "Scholarship" page on our website for information on the application and its requirements.

Board of Director News

We welcome **Linda Tran, PharmD**, from Sacramento County as our newest member of the Board of Directors!
